Live from New York-College Italia

College Italia was established in 2008 when six Italian Universities bought 15 apartments located at 225 Rector Place, in lower Manhattan New York. Students, researchers and professors of these Universities are guests of the College

Italia and reside in either studios or one bedroom apartments that can host up to 42 guests.

The following Italian Universities are a network of Universities supervised by H2CU-Honor

Center of Italian Universities : Università degli studi di Brescia, Politecnico di Bari, Università degli studi del Molise, Università degli studi di Perugia, Sapienza Università di Roma, Università degli studi di Cassino.

H2CU Students' Corner

Michela Mariangela Talò, a former resident of the College Italia in New York, is the recipient of the 13th edition of the Price "Maria Santori". Michela Mariangela pursued a Master of Science in Civil Engineering and Engineering Mechanics with a double degree from Columbia University in New York and Sapienza University in Rome. "I can affirm that the New York experience has been a unique, gratifying and fundamental period in my student life," she said in the final report that she filled out at the end of her stay at College Italia.
