There are students from Sapienza Università di Roma who are participating in the semester abroad program at Columbia University Law School; also students from Università degli Studi di Brescia, Università degli Studi di Perugia and Università degli Studi del Molise that are doing research for their Laurea Magistrale Thesis and PhD Thesis at NYU-Poly, CUNY, Columbia University, and Fordham University. **Welcome everyone!**

## Programs & Exchanges

**Researchers' night** is at its 7th year! Since 2005, on every fourth Friday of September, European researchers have shared what they really do for society in interactive and engaging ways. On September 28th visit the region of Lombardy in Italy or the cities of Lyon and Rouen in France, or the German Trier near the border with Luxembourg and take a guided tour of research labs or play and learn through hands-on experiments and fun activities for children.
