Spreading the Word: Books, Technology and Communication

Books history and the media revolution will be the focus of the conversation between
scholars at Columbia University

Are books organic objects under threat from new media technologies?

Jeffrey Freedman, Associate Professor of History, Yeshiva University
Carla Hesse, Dean of Social Sciences and Peder Sather Professor of History, University of
California, Berkeley
Richard John, Professor, Columbia Journalism School
Leah Price, Professor of English, Harvard University

Columbia University: Morningside Campus East Gallery, Buell Hall
December 5, 2012 - 6:00pm - 7:30pm

The story of I²e @ NYU-Poly

i²e = invention, innovation, and entrepreneurship

NYU-Poly has a new way to approach academics and research. Faculty
and students use tools, resources, and inspiration and then invent and pro-
duce.

I²e encourages faculty and students to apply their research to real world
problems and provides them with the basic tools and support to great
entrepreneurship.
