### UNESCO and WATER

On September 16 at the "Sala del Praticcio" of Palazzo Firenze in Rome the workshop "UNESCO and Water," organized by H2CU was hosted, to celebrate the establishment of the UNESCO Chair by the University for Foreigners of Perugia on "Water Resources Management and Culture" in collaboration with the universities of the H2CU Center. The establishment of the Chair was made possible thanks to the synergies between University for Foreigners of Perugia and Sapienza University of Rome H2CU Center. The event have seen the participation of the ILEC Scientific Committee, among with other distinguished invited speakers. For more info: <http://www.h2cu.org/drupaluni/eventi/unesco-and-water>

### University of Brescia, Scholarship "Corrado Faissola"

On September 6, 2013 the University of Brescia has presented a Scholarship in honor of Corrado Faissola, to support one student for the Master of Science at the Lubin Business School at PACE University in New York City. This scholarship was made possible thanks to the collaboration and the financial support of UBI Banca. ## H2CU Student's Corner

### 2013 Horton Research Grant for Ph.D. students, Congratulation Flavia Tauro!

Flavia Tauro, has received the 2013 American Geophysical Union (AGU) Hydrology Section's Horton Research Grant with a proposal for a novel fluorescent particle-based tracer for surface hydrology. The Award is recognized by AGU every year to promising graduate students in hydrological sciences at the early stage of their career. Flavia will receive the award, that consist in \$10,000 to fund her research, at the 2013 AGU Fall Meeting, that this year will be held in San Francisco. Flavia has graduated with an individual Double Degree H2CU program between Sapienza University and MIT-Massachusetts Institute of Technology and now she is pursuing her Ph.D. in a joint program between Sapienza University and Polytechnic Institute of NYU, at the end of the program she will receive a PhD in Hydraulic Engineering from Sapienza and a PhD in Mechanical Engineering from NYU-Poly.
